

The Ostwald Group is a leading construction supplier to the engineering, mining, energy and rural industries throughout Australia. In addition to the safe construction of various facilities for these industries, the Ostwald Group also offers modern accommodation, steadfast security and facilities management, supply professional of transport solutions and superior construction materials.

The Ostwald Group is committed to conducting our business in a manner that eliminates or manages hazards that have the ability to cause incident, injury or illness to our people, communities, assets and clients by becoming industry leaders in health and safety performance. Further, we are committed to assisting workers to fulfil their personal obligations with respect to health and safety.

The Ostwald Group will endeavour to achieve a Zero Harm culture by:

- ③ Providing systems for the identification, classification, assessment and review of all issues relating to Health and Safety;
- ③ Maintaining effective communication and/or training to our employees, contractors, clients and visitors to ensure that safe work practices are undertaken in the workplace;
- ③ Communicating the aims and purpose of the Health and Safety Policy and associated procedures to all concerned parties to ensure that they are aware of their obligations for health and safety standards;
- ③ Empowering all employees and contractors to adopt the highest standards to protect themselves and others in the workplace;
- ③ Ensuring that our Integrated Management System meets the requirements of AS/NZS 4801 and is incorporated into the entire processes of the company;
- ③ Providing facilities and services that meet or exceed relevant statutory legislation, industry guidelines, appropriate Australian and International Standards and applicable contracts; and
- ③ Continually improving our services by setting measureable goals, provide and support ongoing training; and continual monitoring and review of the effectiveness of our management systems.

The Ostwald Group supports and is committed to this Health and Safety Policy and expects all workers, contractors and visitors to adhere to the principles outlined herein.

Brendan Ostwald
Chief Executive Officer

December 2015
